

§ 164-40. Correction population simulation model; Juvenile Justice Section of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety facilities population simulation model.

(a) The Commission shall develop a correctional population simulation model, and shall have first priority to apply the model to a given fact situation, or theoretical change in the sentencing laws, when requested to do so by the Chairman, the Executive Director, or the Commission as a whole.

The Executive Director or the Chairman shall make the model available to respond to inquiries by any State legislator, or by the Secretary of Public Safety, in second priority to the work of the Commission.

(b) The Commission shall develop a Juvenile Justice Section of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety facilities population simulation model, and shall have first priority to apply the model to a given fact situation, or theoretical change in the dispositional laws set forth in Chapter 7B of the General Statutes, when requested to do so by the Chairman, the Executive Director, or the Commission as a whole.

The Executive Director or the Chairman shall make the model available to respond to inquiries by any State legislator, or by the Juvenile Justice Section of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety, in second priority to the work of the Commission.
